

Introducing the Dexcom Patient Assistance Program

Support for US patients impacted by the COVID-19 pandemic

This program only includes assistance for the transmitter and sensors.

Smart devices sold separately.

- Dexcom will offer **up to two shipments** of 90-day supplies for the Dexcom G6 Continuous Glucose Monitoring (CGM) System
- Each shipment includes one transmitter and three boxes of sensors

- The patient cost will be **\$45** per 90-day shipment
- Debit or credit card payment accepted

- This Program will be **available to current US customers who have lost their health insurance coverage** as a result of the impact of the COVID-19 pandemic*
- Customers who meet eligibility requirements must provide documentation of job termination, job status change, or proof of COBRA

If you have questions about the Dexcom Patient Assistance Program:

Call **1-833-235-9634**

Visit **Dexcom.com/assistance**

*Patients who are eligible for coverage of their Dexcom CGM Systems under a federal or state government program (such as Medicare, Medicaid, or VA benefits) are not eligible to participate in this Program. Certain terms and conditions will apply to be eligible for participation in the Program, such as the submission of a complete Program application and documentation showing loss of healthcare benefits.
